Josephytes Alumni Association

It's a special moment for all of us as we launch the very first edition of the Josephytes Alumni Newsletter—a space created just for you, our valued alumni.

No matter where life has taken you, SJCP will always be a part of your story—and you, a part of ours. This newsletter is our way of staying in touch, sharing memories, celebrating successes, and building stronger bonds across batches and borders. Let's make this the start of something meaningful, lasting, and full of pride in where we come from.

In each issue, you'll find updates from the campus, inspiring alumni stories, upcoming events, and ways you can get involved or simply reconnect with old friends. We want this to be more than just a newsletter—it's a shared space for our SJCP family to grow together. Let us take this step forward together, with renewed purpose and pride in all that SJCP represents. Let this be a space where our shared legacy continues to thrive.
